

Can You Help? Get to know a nationally acclaimed teacher!

Please take a few moments and look over the dates listed below. If you can help with suggestions for a location to hold a workshop in your area, provide a ride to or from the airport for a teacher, or perhaps spend some one-on-one time with a teacher by providing some company for dinner or taking her to quilt shops or interesting places in the area where you live, please let me know. It would be fun to get lots of people involved in getting to know our nationally known teachers! Thanks in advance!
